Hi guys –

I think we can cut out all the stuff repeated from the first hot issue and simply start with we had a call (I added a sentence to say who we talked to). I suggested some different wording for option 2, please check and make sure you're ok with that. Otherwise I think this looks good.

Let me know if you agree with these changes. Since it's past Wed, I will just put this in the text of an email to Darcy and she can forward to Shaun.

Thanks!
